Please visit <https://happyacademy.us> for more information about the registration timeline and fees. Happy Academy is fully accredited by the Western Association of Schools and Colleges.

Offers of admission will typically have an expiration date, after which the space may be offered to another applicant. This is in part because space availability is so limited. The sooner we fill the allotted spaces with committed students, the sooner we may begin detailed planning for the upcoming year. We work hard to provide the best customized program possible for each student.

*We do not require students to attend any particular college after graduation. However, we expect students to make their final decisions **after** receiving the best college admission and scholarship offers possible.
